

Luxury villa on the sea front

The villa in authentic country house style, is located in first sea line close to a serene beach in Cala Murada and offers sunshine, tranquility and wonderful views to the sea with much privacy. It is one of the most spectacular locations the south-east of Majorca has to offer at the moment.

An architectural masterpiece, the extensive ceilings of cross-shaped vaults, which can be found in Majorcan town residences. Amongst many other classical details, the property convinces by its well thought-out floor plan. With a total of 4 bedroom suits, this property is ideal for a large family. Other spectacular features include the pool with waterfall, the oriental steam bath which is integrated in the rock.
