

Can Bumbambo country house with pool for a perfect holiday on the island Mallorca

Rental villas in Manacor

Affordable five bedroom holiday home with a small, child-safe pool and plenty of shade

The holiday home Olivera has a small pool, which is provided with a fence and a staircase. The current pool used to be the cistern where the rainwater was collected. Nowadays, the house has changed into a child-friendly holiday home. In the garden there is a trampoline for them to enjoy.

Terraces in front of and behind the house guarantee shade at any time of the day. Some beautiful Mediterranean plants surround the house. In late summer, the figs are ripe, ready to be collected from the trees behind the house.

The very well maintained house consists of two floors. Five bedrooms, one small and with bunk beds, two large living rooms and two bathrooms, as well as the very nice kitchen, offer plenty of space in a very nice atmosphere. Everything here was newly renovated and furnished in April 2017.

It is located 3 km from Manacor, on the same road as the new Rafa Nadal technology center and 6 km from the virgin beaches of Cala Varques and Cala Virgili, about 15 minutes by car from Porto Cristo.

At Manacor center, you can try delicious traditional majorcan food at one of its fantastic restaurants, or go shopping. For golf lovers, you can play at Golf, 8,8 km distance. The coast and lots of dreamlike beaches is just a 15-20 minutes drive. The property is well connected, so you can easily visit different beaches like Portocristo, Cala Magrana, Calas de Mallorca or Sa Coma. We highly recommend Cuevas del Drach caves.
