

Beautiful independent Villa Bambu just a few meters from Pollensa beach.

Rental of property in Port Pollensa for the summer holiday in Majorca in Spain

Bambu house is great to enjoy a holiday at any time of the year. It's located very near the Pollençà beach, where you can walk through the bay and admire the sand and calm water.

Pollençà offers to the tourist both sea and mountain, and ideal combination for those who want to relax while enjoying nature, and also ideal for people interested in cycling. The town itself is just six kilometres (less than four miles) from the coast (Cala Sant Vicenç and Port of Pollençà), and within the Tramuntana mountain range, in the middle of a very beautiful landscape. Pollençà is a village full of tradition with genuine festivities like the processions at Easter, the "Moors and Christians" and the "Patrona" (from 27 Jul. to 2 Aug.). All Sunday mornings there are a local market that takes place in the main square (just one minute walking from the house). In addition to several art galleries, during summer the cultural offer is wide and variate, a special mention must be done to the Pollençà festival of music which brings each summer week some famous orchestra, band or soloist from around the world.

Bambu has a wraparound terrace and has an outside dining table where you can enjoy meals outdoors, as well as a seating area with a low table to enjoy your morning coffee. Inside almost everything is white which gives the place a very spacious and light feel. The ground floor has a living and dining area, a kitchen, a bathroom and a bedroom. The sitting room has very comfy sofas and armchairs where you can watch the TV (Astra) and there is even a chimney to light in the winter. Separated by an archway is the dining room with air conditioning and window that lets in lots of natural light. The bedroom on this floor has two single beds and AC. The bathroom on this floor has a shower. The kitchen has an electric oven and stove, a dishwasher, microwave, coffee machine and a laundry room with a washing machine and ironing board. Upstairs are three more bedrooms and a fully-equipped bathroom with bathtub. Two of the bedrooms have double beds and AC, and the third bedroom has individual beds and AC as well. All of them are very pretty and have that special touch that will make your holiday stay in Mallorca unforgettable.

Characteristics
