

Villa Can Fiol in Porto Colom with pool, gym, AC and Wifi

HOLIDAY RENTAL IN PORTOCOLOM. RENTAL OF HOMES IN MALLORCA WITHOUT INTERMEDIARIES. SALE OF PROPERTIES.

The magic Villa Can Fiol is set on the road that leaves the town direction S'Horta. 5 minutes walk from the supermarket and 10 minutes walk to the charming harbour with superb water front restaurants and cafeterias. Porto Colom is a charming typical fishing port, where it is still possible to see the fishermen repairing the nets on the dock. This locality offer several sandy coves. Cala Marçal is 1.8km. away and S'Arenal and Es Babo are 5 minutes drive. Only 8 km away there is the tourist resort of Cala D'Or with a wide variety of shops, restaurants, pubs with live music and its beautiful marina.

This is comfortable accommodation with plenty of natural light. The ground floor consists of a spacious and bright living room with comfortable sofas and access to the covered terrace as well as a spacious and well-equipped kitchen. This floor also offers a double bedroom with a double bed and another with two single beds. These bedrooms share a full bathroom with a bathtub. Guests of this house can enjoy the opportunity to practice sports during their vacations, since they have a home gym with five machines.

A beautiful staircase leads us to the upper floor, in this open space there is the master bedroom and another with two single beds, where your children can rest near you without any worries. The bedroom has plenty of natural light and has access to the terrace with great views of the town and the sea in the distance.

This accommodation offers heating throughout the house and four air conditioners distributed throughout the house, which is enough to maintain a cool and pleasant temperature.

The back of the house is the ideal place to relax and enjoy the lazy summer days. It offers a very pleasant and relaxing space with a swimming pool

(7m x 3.5m.), a terrace with comfortable furniture, grassy areas around the pool.

Around the pool there are sun loungers for 8 people, a children's area. There is also also a young olive tree that provides a pleasant shade.

The porch, which is very pleasant, with a teak table and chairs as well as a built-in barbecue, is the ideal place to enjoy "al fresco" meals. There is also a toilet with an outside shower.

This is the harbour of Felanitx. A quiet fishing place in Majorca's southeast and one of the largest natural harbours of the island, refuge for countless boats looking for calm waters in the summer. An ideal place for those who like the charm of a fishing harbour.

Portocolom, where development has left its charm as a fishing port untouched, and which still reflects a delightful maritime air in its picturesque corners. Its lighthouse, built in 1860, 42 m. above sea level, enhances the beauty of this great Mediterranean port even more.

The seafaring spirit of the place, its traditional artisan work, its close attachment to the land, its local dances and its regional cuisine continue still as the signs of identity of a Mediterranean town as many faceted, imperishable and different as its daily life. Prehistoric relics, hidden coves, charming villages and above all its friendly people who retain the beauty of the Mallorcan spirit within them.

The Felanitx coastline has very many unspoilt heavenly coves of exceptional beauty. The most extensive is Cala Marçal which has every type of amenity. S'Arenal, close by the lighthouse, is smaller. The remainder of its coves, of difficult access, may be reached by boats which make the trip from the Port.

The town is divided in two parts: **the old town area** around the port and the other part is **the touristic area** which offers a good supermarket, shops and some excellent local bars and restaurants.

Apart from being a fishingport, we also find the sailing club of "**Club Nàutic de Porto Colom**" here, where many pleasure boats start there trips along the coast
