HOLIDAY RENTAL NEAR THE BEACH. HOMES IN MALLORCA WITHOUT INTERMEDIARIES. SALE OF PROPERTIES.

A wonderful estate "La Torre de Aumallia" in a rural setting 6 km east of Felanitx. Portocolom is only ten minutes by car, and for a day at the seaside it´s certainly worth heading off to the incredible natural beach at S´Arenal half an hour away.
The villa "La Torre de Aumallia" can be seen from far and wide thanks to its striking tower. The tower, which can be used as a guest room or additional apartment, is not very tall, but if you climb all the way to the top, there is terrace along with a 360 degree panorama view. Along with a play area where the little ones can run riot, there is garden with a pool at its centre After a refreshing few lengths swims in the pool, you can rest on one of the sun-loungers. Or you can just lie down on the lawn artificial grass or real grass for nature-lovers. Right beside, there´s the outdoor kitchen, ready for you to get stuck into some barbequing and serve up some delicious food. Also, there is a long wooden table so that you can tuck your meal straight away. Furthermore, the covered terrace beneath a canvas suspended above offers shade idyllic appearance. From here, you can enjoy the terrific view of the garden with its palm trees and neighbouring green spaces to your heart´s content.
The spa area on the ground floor surrounded by huge windows letting in plenty of light. There´s also a Turkish bath it will have you sweating and leave you clean right down to your pores, so that you can really let yourself be taken by the holiday feeling. If you then wander into the large living room whith the fireplace is already lit and the giant sofa is the perfect place to relax. In the kitchen the fantastic facilities will allow you to finally try out the recipes you´ve always wanted to but never had the time for. As far as the calories are concerned, if you wish to, you can head down to the gym room in the cellar with its ten machines. Also, in the cellar there is pool table as well as a table tennis table so that you don´t get bored. Two of the double rooms are found on the ground floor, and the other three – each with en-suite bathroom and giant wardrobes are located on the first floor. There are three double beds, whilst two of the bedrooms have two single beds, each a metre wide and therefore very comfy.
The villa´s surroundings are also very attractive. Thanks to the nearby road, you can quickly reach Felanitx, 6 km away, and enjoy an espresso in a street café. For shopping, you can continue on to Manacor or Palma de Mallorca. For hiking, we suggest a trip to the Sant Salvador cloisters on top of a mountain near Felanitx, which can clearly be seen from the villa. The fine sandy beach of the nearby Porto Colom make it the perfect place to spend varied days by the sea.
