Villa rural Son Capellet for 10 people and 15 minutes from the beach

RENTAL OF PROPERTY FOR THE SUMMER HOLIDAY IN MAJORCA IN SPAIN

This house sits on an estate measuring 14,000 m² and offers a beautiful view of the Puig de Bonany. The rural location of the villa offers you total peace of mind, which makes it especially suitable for the demanding tourists of villas seeking rest and relaxation without compromising the proximity to shops and restaurants. The beautiful sandy beach of Son Serra de Marina is only a 20 minute drive away. And beaches of Can Picafort and the Bay of Alcúdia can be easily reached via hire car.
The centrepiece of the villa "Son Capellet" is the huge pool terrace that offers sufficient space for the entire traveling group. Here, you will find 10 luxurious wooden loungers as well as sun shades.
The large pool features a set of steps for you to enter. It is located directly in front of the house, surrounded by a long, partly covered terrace. In addition, the pool is childproof thanks to part of it being sectioned off from the deep water and having a flat bottom.
The house itself features air-conditioning in all rooms so that you can get a good night´s sleep at night. There are a total of 5 double bedrooms available.
Each room has its own en-suite bathroom, and there is also an additional toilet. Central heating is also of course provided for cooler days.
Two floors laid out as follows:
The ground floor houses the living room with fireplace, a separate dining room, kitchen, utility room and a double bedroom with twin beds and ensuite bathroom (bath tub).
There are four double bedrooms on the first floor with four ensuite bathrooms (bath tub). One bedroom has a double bed and the others have twin beds.
The house has a kitchen fully equipped, wifi in the living room, en suite bath in all bedrooms, heat and cold air conditioning, sat tv, safe, washing machine, iron, hairdryer, porch, barbecue and car park.
A particular highlight of this villa is its location by one of the most beautiful cycling routes in Mallorca. Combined with the great options for meals and secure bike storage, this villa is the perfect choice for a cycling holiday in Mallorca. In just 20 minutes, you can reach the second biggest city in Mallorca, Manacor, which is known for its ceramics. Sineu, known for having the best weekly market on the island (on Wednesdays), can also be reached in just 20 minutes.
The house is perfect for two or even three families. The bathrooms have a sophisticated design and high quality facilities.
Upon arrival, you will be greeted with a welcome food package for your first meal.
The residence is situated on extensive grounds and offers a breathtaking view of the Puig de Bonany. You can find some restaurants and small supermarkets in Petra. The well-known weekly market takes place every Wednesday in Sineu, which is about 15 minutes away by car.
The Mallorcan family that owns the farm also manages an excellent restaurant with typical Mallorcan cuisine, which is located in the middle of the land with 6 luxury villas, one of which is the SON CAPELLET. The restaurant is called Sa Font de Petra and can be accessed by a beautiful footpath of the island with a 3-4 minute walk. Whenever you do not feel like cooking, you can comfortably enjoy a delicious meal there, with an extraordinary meal and stunning views from the elevated terrace. Breakfast service is also offered.
For very large touring groups, we also offer the opportunity to rent this house together with other villas: "Son Perxa", "Sa Pleta", "Son March", "Sa Sinia", "Son Capellet". All the properties are close to each other, but they are totally independent and have a high level of privacy. The 6 surrounding villas have a tennis court and a volleyball field.
On the other hand, if you want to celebrate a party during your stay, we ask you to let us know in advance. You could organize an event in the splendid restaurant of the owner or set up a catering in the same villa where you will be staying.
Parking for bikes, transport from the finca to the tour starting point, catering for cyclists on the finca, professional bike rentals, designated cycling route
