

Villa Calamari 7: In the Purest Mediterranean Style

Rental tourist villas for vacation on the coast of Mallorca, in Porto Colom

Squids, intelligent creatures of the sea, exhibit a surprising art of transformation that makes them masters of the ocean. Similarly, the villa "Calamar 7", nestled in the heart of the picturesque coastal town of Portocolom, offers an affordable opportunity to blend urban diversity with maritime charm. It's the perfect setting for an unforgettable holiday in Mallorca.

Surrounded by lush Mediterranean vegetation, the outdoor area of the villa boasts multiple terraces for enjoying the sun at different times of the day. For those seeking respite, the covered terrace with bamboo furniture provides a serene refuge. Additionally, a barbecue is available for preparing delicious evening meals in a cozy atmosphere.

Just 250 meters from the sea, there's always an opportunity for a tranquil digestive stroll before retiring for the night. The house itself, typically Mallorcan in its interior design, evokes the island's agricultural past with design elements such as pots and plates adorning the walls. Far from the excesses of contemporary fame, this cozy Mallorcan residence revels in its simplicity and warmth.

Gatherings in the comfortable living room, camaraderie in the fully equipped kitchen, and peaceful nights in the four practically furnished double bedrooms are what truly make this property so appealing. Two of the bedrooms feature double beds, while the other two offer two single beds each, allowing for various accommodation configurations. And thanks to the smart TV, evenings can be spent unwinding with a good movie.

Characteristics
