Villa Crespi

Rental villas in Mallorca

The most ravishing beauty of the Mediterranean Balearic truest awaits you at **Playa de Muro**. With an extraordinary geographical location, cleaning their beach of fine white sand and clear turquoise waters and its natural environment makes this a true paradise at your fingertips, with reserves of ecological interest as the Natural Park ´Albufera´ and the protected zone ´is Comú Wall´.
Between Sa Pobla and Muro Albufera Nature Reserve, 2,500 ha of wetlands protected it extends. It was the first Natural Park of the Balearic Islands, declared as such in 1988. It is an essential event for lovers of nature.
S´Albufera receives rainwater from torrents and outcrops of groundwater, and their abundance gives rise to a whole ecosystem with more biodiversity of the islands, with more than 200 species of birds, dunes, pine forests and salt marshes .
For bikers, **Playa de Muro** also offers the opportunity to learn routes which run near the sea, and other leading into the interior of the island.
And **Playa de Muro** is one of the best places on the island to play golf in the north of the island. Club de Golf Alcanada is a large, hilly 18-hole course designed by Robert Trent Jones and his son, with glorious views from every hole and the bay of Alcudia and the lighthouse on the island of Alcanada backdrop of the Sierra Llevant, located just 5 km away.
